Horse Entry Requirements for the 2021 World Championship Junior Rodeo

VACCINATIONS --- All horses must be vaccinated with an FDA-approved EHV (Rhino) & Influenza vaccine not less than 14 days and not more than 60 days prior to date of entry to the Lazy E Arena grounds. If you or a vet are administering, please document the serial number that appears on the outside of the vaccine bottle or individual syringe on your horse check-in form.

It is recommended that horses who have never been vaccinated, administer 1 vaccine prior to timeframe noted above, and a booster 4 to 5 weeks later during the timeframe of not more than 60 days and not less than 14 days prior to date of entry.

HEALTH CERTIFICATE --- Current health certificate issued within 7 days prior to date of entry.

COGGINS --- Current Coggins issued within 12 months prior to date of entry.
